

**REMARKS**

The Examiner is thanked for the careful examination of the application, and for the indication of allowable subject matter. The foregoing amendments are intended to accept the claims allowed by the Examiner, and to cancel any non-allowed claims. Specifically, claim 48 has been written in independent form, including the subject matter of claim 22. Claims 42, 43, 46, and 47 have been rendered allowable by the incorporation therein of claims 49, 50, 51, and 52, respectively. Claim 45 was previously allowed.

Accordingly, in view of the foregoing amendments, all claims should now be in condition for allowance.

In the event that there are any questions concerning this response, or the application in general, the Examiner is respectfully urged to telephone the undersigned attorney so that prosecution of the application may be expedited.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
